

Get to Know All About **Bosta's** **Fulfillment**

Your All-in-One Solution for Smart Logistics

Built for E-commerce Growth

As part of our mission to empower e-commerce businesses, we've launched **Bosta's Fulfillment Service** — a complete solution designed to take logistics off your plate.

From smart storage to inventory management and next-day delivery, we provide everything you need to store, pack, track, and ship your products — so you can focus on what matters most: **selling and growing your business.**

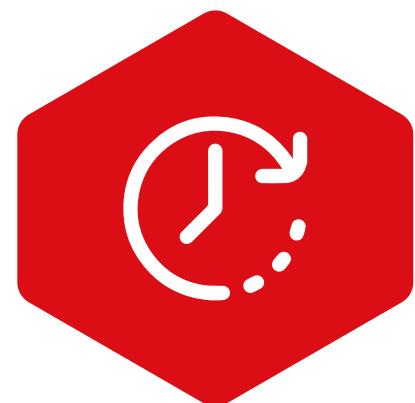

**“Focus on
selling.
We'll handle
the rest.”**

Why Fulfill with Bosta?

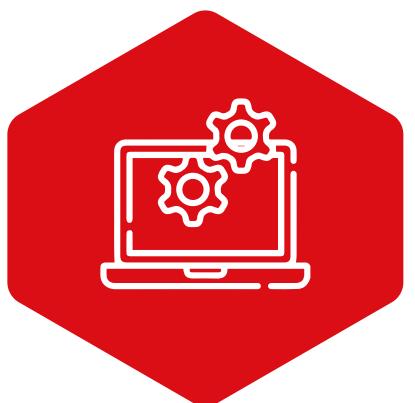

End-to-end logistics

Bosta handles your entire logistics journey: receiving products, storing them safely, reflecting them in our inventory management system, packing with care, and delivering orders to your customers anywhere in Egypt.

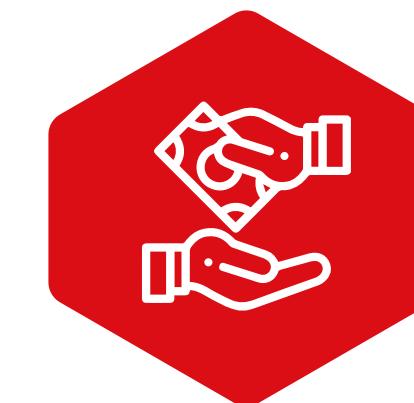

Fastest Processing Time

With an extended cut-off time of 8 PM, you can keep receiving orders all day, and we'll still deliver them the very **next day**. But that's not all — we can process your inbound stock and start fulfilling orders within just 24 hours of receiving your products.

Tech Empowerment

Powered by our advanced inventory management system, **Bosta's technology streamlines your entire logistics process** — from the moment products arrive, to the second they're delivered. Track shipments, create orders, monitor your COD balance, and analyze performance — all from one smart, easy-to-use dashboard.

Next-Day Delivery & COD

Deliver fast. Get paid even faster. Bosta offers nationwide **next-day delivery**, as well as **next-day cash collection**. No delays, no hassle — just smooth, reliable cash flow.

How Does It Work?

Pick Up

You can drop off your stock at our warehouse — or we'll pick it up from you for free (limited time offer).

Processing

We scan and code your SKUs upon arrival to ensure fast, accurate shelving and seamless order processing.

Accepting Orders

Within 24 hours of receiving your stock, we'll be ready to process your orders and begin last-mile delivery.

Delivery

Within only 2-1 days from receiving the order.

Sorting

In this phase, we sort your orders and send them to their assigned hub for final delivery to your customer.

Packing

We professionally pack your orders using high-quality materials to ensure they arrive safely and in perfect condition.

Our Fulfillment Center

Our fulfillment center is strategically located in **New Cairo**, just a few minutes away from our sorting facility — allowing us to **receive orders until 8 PM** and still process and **deliver them the very next day**.

Important Timelines

CUT-OFF TIME

This is the latest time we can receive your orders each day while still ensuring they're processed and delivered the very next day.

8:00 PM

INBOUND CYCLE

The duration of the process where we scan, check, and store your stock in our fulfillment center. That's when your inventory becomes ready for order processing.

24 Hrs

RTV CYCLE

Want to collect your stock or part of it?

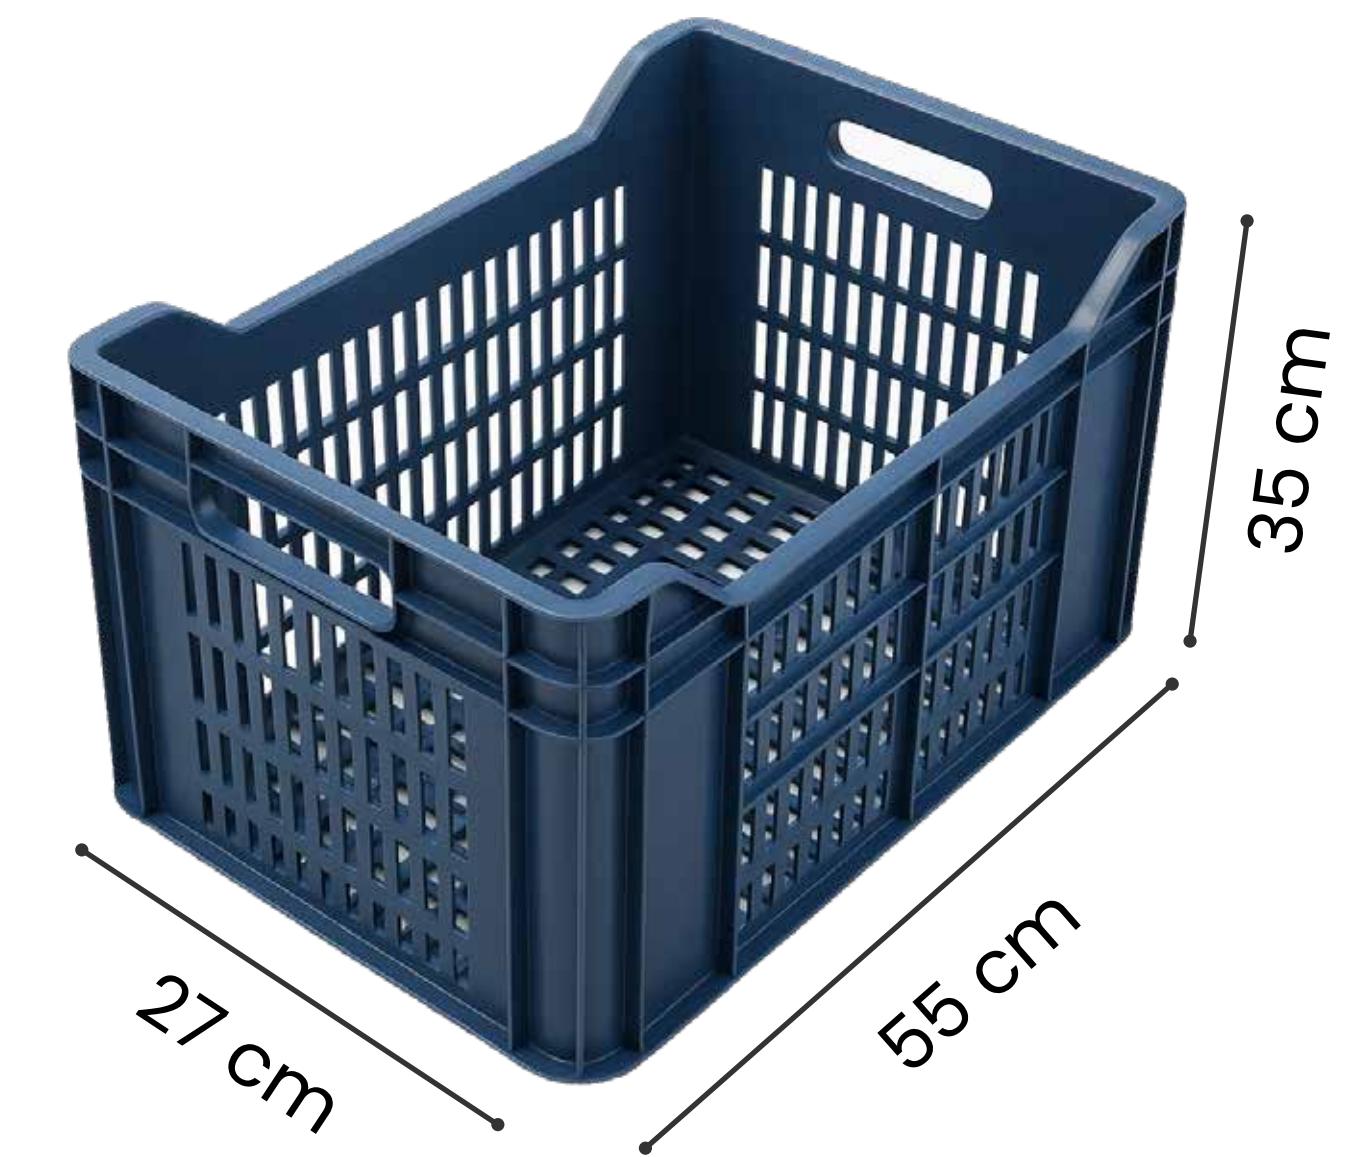

The RTV (Return to Vendor) cycle is the process of sorting your returned or stored products and preparing them for collection.

3-5 Days

STORAGE INFRASTRUCTURE

BINS

This is the dedicated storage unit used to organize and store small to medium-sized products inside the fulfillment center — making your products easy to locate, pick, and ship.

PALLETS

Need Space for Large Volumes? We've Got You.

Our pallet storage system is ideal for high-volume SKUs, wholesale inventory, or bulky items that require more space.
